

**MEET LEO...** A ten-year-old orange tabby cat, Leo is a noble beast. He probably shares much in common with your own cat: napping, meowing, stalking, pouncing, kneading, feeding, grooming — followed by the odd hairball and, of course, ear twitching when there is music playing in the house. Now there is a collection of wonderful classical music to accompany you and your cat during the day's activities. Come spend a day with Leo — listen and enjoy!
